

SUNDAY 7th July 2019 | MKEMDFORD

INTRODUCTION

In Galatians Chapter 5 we see a contrast between the Works of the Flesh versus the Fruit of the Spirit. Paul explains that the works of the flesh are things we do in our own strength however the Fruit of the Spirit is something that the Holy Spirit produces in us and therefore something we cannot take credit for. Galatians 5 gives us the key to being able to produce fruit and that is to abide in the Holy Spirit. If we are not producing the fruit of the spirit, this would be an indicator that we are not abiding.

DISCUSSION QUESTIONS

1. Re-read Mark Galatians 5:16-26
2. What are some of the works of the flesh that you personally struggle with or people around you struggle with?
3. How can we crucify the works of the flesh that may have a strong hold in our life?
4. What does it mean to abide in the Spirit?
5. How is abiding in the Spirit a personal thing between you and God?
6. How can you practically abide in the Spirit?

THINK ABOUT IT

Abiding in the Spirit is a day by day, moment by moment thing. It is a place of rest. The Holy Spirit will prompt us, and we will make faith choices to trust Him and do things His way. We then get to praise God for the fruit He has produced in our life!

MEMORISE

For "whoever calls on the name of the LORD shall be saved."
Romans 10:13
